SWOT Analysis: Weaknesses

SWOT Analysis: Opportunities

Declutter app layout

Incentivize in-store visits

Visualize and locate everything on the list

Drive-up efficiency & ship to store

SWOT Analysis: Threats

Competitive Market

(Other retail apps: Amazon Go, Walmart, Lowes)

- Scan and go feature

Unforeseen **Economic Crisis** (pandemic, inflation, etc.)

Our Case

“Develop a strategy to *drive guest loyalty* to
Target using the *savings power of the*
in-store shopping benefits of the Target app”

Our Solution

Improving customer in store shopping experience through *pre-planned routes*

Incentivizing in store shopping *visits* and *app-based coupon* use

Pre-Planned Routes:

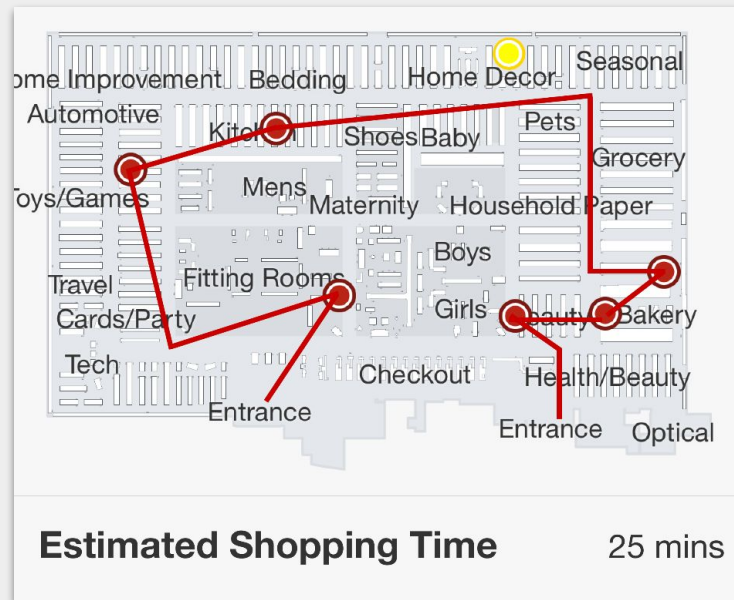

Maximizing the guest experience one step at a time

Improving In-store Experience:

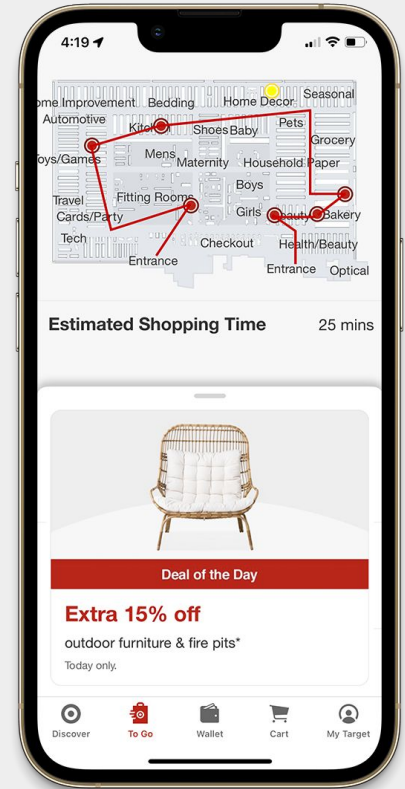

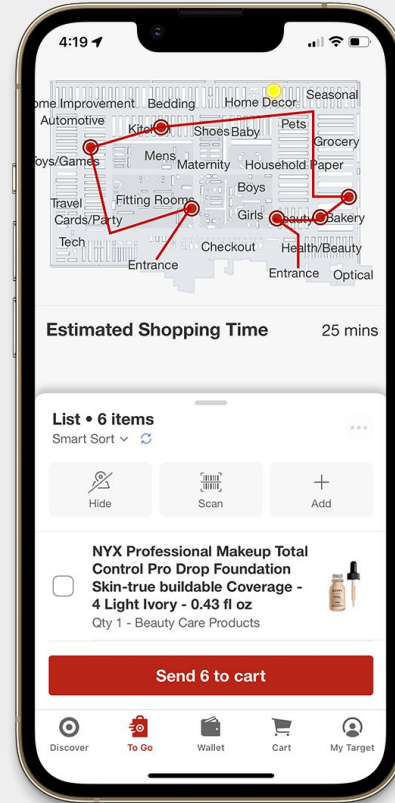

Pre-planned Routes

- Pre planned route to **use with the List feature** in the Target App.
 - Builds on top of an existing app functionality.
- Provide **efficient route recommendation**.
- Product on the List will be displayed on the map, with a red dot ●.
- Daily Deal featured on the map, with a yellow dot ●.
- Alerts customers to daily deals in the store, showing them the location of it.
- Clicking on the dot, the customer can see a description of the item.

Pre-Planned Routes: *RFID Technology*

- RFID: **Radio-Frequency Identification**
 - Each item has **unique embedded RFID tag**, which can be read by scanners throughout the store.
 - Allows for **accurate, constantly updated inventory**.
- Existing infrastructure: Over 1,600 Target stores have been **using RFID since 2017**.
- Expanding Further: Accessibility
 - For the visually impaired, interactive maps to guide guests through store.
 - **RFID embedded shopping carts**, to track guest movement, and safely locate them.

Visit Tracker & Rewards:

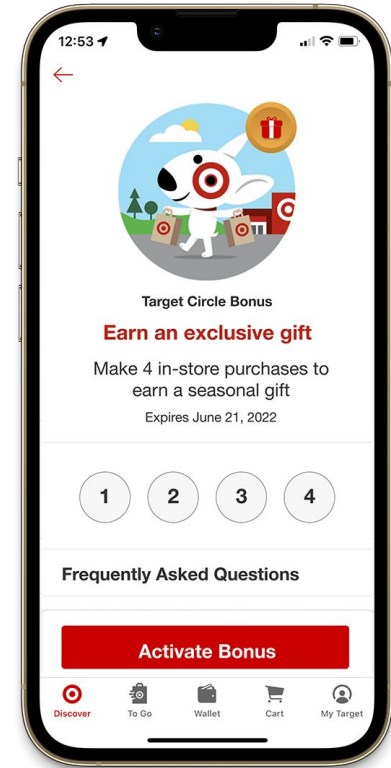

Incentivizing the in-store experience with unique rewards

Incentivizing Visits & Coupons:

Visit Tracker & Reward

1. Target App notification when you enter the store
 - Reminder to use target circle coupons
2. Utilize Visit Tracker in the App & Reward In store shopping
 - Every visit with a purchase = one valid visit
 - If the number of visits exceed the set threshold, guest is rewarded with a gift at Guest Services
 - Gifts could be unique and tailored to each month's theme (e.g.. February = Valentines, June = Pride, December = Winter Holidays..)
 - Only valid at participating locations/stores
